They have reduced their request to \$55,000.

- K Richardson asked why the contingency was 5% instead of the usual 10%. He also questioned why the request was lower than past years. Shawn Patterson said he was comfortable they could complete all with the reduced amount.

**Garretson Barn Roof** - \$35,000-\$100,000: M Maresco needs to put this project on hold for now. After further inspection of the barn, they will need to evaluate if the required work is a worthwhile expenditure.

**DW Estate Chimneys** - \$46,260: Barbara Carney said all four chimneys at DW Estate need repointing. The latest wind driven rain filled buckets with inches of water.

- M Maresco thanked Barbara and the DW Trust, a volunteer group, for all the work they do, each year raising at least \$25,000 for the maintenance of the building.

MOTION: M Campion made a motion to recommend to Town meeting the approval of **\$46,260** in CPC funding for the repointing of four chimneys at DW Estate. K Richardson seconded.

Motion passed 7-0 by Roll Call Vote: M Campion – yes, K Richardson – yes, B O'Donnell – yes, D Kelleher – yes, C Delgadillo-Calbimonte – yes, M Bilas – yes, K Cantwell – yes.

**G.A.R. Hall** - \$100,000: F Russell reviewed what has been completed at the building over the past few years, and what remains to be done. The additional funding will be used to augment the unforeseen rot expense, and to repair the ceiling that was damaged prior to the new roof. If any funds remain, they will be used for HVAC or window replacement. The NRAS raised \$12,000 toward the siding expense and they will be fundraising \$65,000 for interior and exterior painting.

- B O'Donnell asked if the issues brought up by the Historic Commission have been resolved. F Russell said they have not, but they plan to readjust as requested.

- M Bilas asked if they had any salaried employees at the property. J Griffin replied that there is one part time employee in summer months.

- K Cantwell wanted to clarify that he had not spoken with Tim Withers about a historic chest that was sold, as was mentioned in an email.

- K Cantwell asked if they had a maintenance budget for each year. J Griffin said that looking back at taxes from 2011-2022, the maintenance exceeded \$25,000/yr. Alan Bates maintains the property as a volunteer. The previously mentioned chest was sold in order to pay for maintenance as well as other expenses. K Cantwell suggested coming together with a needs

assessment that could help them prioritize and plan accordingly. J Griffin would love to establish a maintenance plan as suggested.

- Cindy Castro questioned if the mahogany doors had already been ordered as she had been told. J Griffin replied that they had received a quote, but had not ordered them.

If the full amount is unused, the remainder stays in the account for future use, except for unused administrative funds that will be returned to the undesignated fund at the end of the fiscal year.

**MOTION:** M Bilas made a motion to recommend the Town approve a 10% set aside in the amount of **\$250,826** in CPC funding for each of the three categories, Historical, Affordable Housing, and Open Space/Recreation; and to approve a set aside of no more than 5%, **\$125,000** for administrative expenses.
