MINUTES

BUSINESS

- Vote & sign Orders of Conditions for closed hearings (if projects are voted closed and/or the Commission is prepared to vote on Conditions):
SE42-2542 DPW, Bay Ave. beach access – FW reviewed the file, plans, and minutes from the public hearing held January 20, 2015 and due to necessity is ready and informed to vote on this project. Commissioners read JW's draft orders. CH questioned Special Condition M regarding the last sentence *stating "DPW shall summarize the results of this investigation which shall be submitted within three years of the date of this Order to the Conservation Commission, the Board of Selectmen and the Advisory Board."* And asked who keeps track of the time. JW stated he and the DPW keeps on track – not an onerous condition and is the same condition that has been put on several coastal repair projects. US Army Corps of Engineers is currently preparing such a report for DPW. WL motion to approve as written, FW second, passed 4-0-0.
- Scheduled Meetings: Tues. Feb. 17th, Tues. March 10th
- Trails Committee Grant Application – the Trails Committee and CPC sent in an application last week for a grant to publish an updated Open Space map complete with trails. Conservation has agreed to contribute \$2,500 for publishing of the map, hard copy and web copy.
