### Agenda

1. The minutes of the April 4, 2018 meeting were approved.
2. Dave Suffredini was elected unanimously as Vice Chairman.
3. A new Chairman will be elected at our September 2018 meeting.
4. Our next meeting will be held on Wednesday September 5th. At that meeting we will discuss possibly moving our first Wednesday of the month meeting date to another evening. The reason was to not have the meeting on the same night as the Scituate Waterways Committee. A different evening will allow us to better communicate with our Scituate peers.
5. Harbor Plan Discussion. At our September meeting members will lay out goals for the coming year. There are some members that have un-assigned responsibilities with regard to the Harbor Plan. This also needs to be resolved at our September meeting.
6. Report to Selectmen. Final comments on the report were made. We will attempt to have this report scheduled for a Selectmen's Meeting in July.
7. Member Mike McNamara has chosen to not renew his term on the Waterways Committee. His term will end June 30, 2018. At our September meeting, of our Alternate Members should be recommended for a permanent Member of the

Committee. Also, we will need to begin interviewing new candidates for the soon to be vacant Alternate Position.
