Figure 1 shows a schematic diagram of a 16x16 grid of nodes. The grid is labeled with 'D01' and 'F21' at the top, and 'D00' and 'F00' at the bottom. The nodes are arranged in a grid with 'D' and 'F' labels. A large black arrow points from the top right towards the center of the grid. The nodes are labeled with 'D' and 'F' followed by a number, indicating their position in the grid.

Figure 1: Schematic diagram of the 16-robot system. The diagram shows a grid of 16 robots arranged in a 4x4 pattern. Each robot is represented by a small black circle with a white dot in the center. The robots are labeled with their IDs (e.g., A10, B12, C14, D16) and their corresponding colors (e.g., A10 is red, B12 is blue, C14 is green, D16 is yellow). The robots are arranged in a grid with columns labeled G00, G01, F01, G00 and rows labeled A10, B12, C14, D16. A north arrow is located in the top right corner. The robots are arranged in a grid with columns labeled G00, G01, F01, G00 and rows labeled A10, B12, C14, D16. A north arrow is located in the top right corner.

Legend:

- Parcel: A simple rectangle.
- Road: A rectangle with a black border.
- Easement: A rectangle with diagonal hatching.
- Stream: A wavy line.
- Water Body: An irregular shape with a stippled pattern.
- Wetland: An irregular shape with a pattern of small circles and dots.
- Bog: An irregular shape with a pattern of small circles and dots, similar to wetland but with a different internal texture.

MAP SCALE:

A horizontal number line representing distance in feet. It starts at 0 and ends at 200. Major tick marks are labeled at 0, 50, 100, and 200. There are four minor tick marks between each major tick mark, representing intervals of 10 feet. The word "Feet" is written below the line.

This map is not intended for use in conveyance or for engineering design purposes. The Town of Marshfield and its representatives shall not be liable for any reuse of this information.
