Figure 1 shows a schematic diagram of the 16x16 grid layout for the experiment. The grid is labeled with coordinates (C20 to F20) and (B11 to A13). A compass rose indicates North (N) is towards the top right. The grid is divided into four quadrants by a central vertical line (D11-D12) and a central horizontal line (B11-B12). The quadrants are labeled: Top-Left (A13-B11, C20-D11), Top-Right (B11-C19, D11-E12), Bottom-Left (B12-C19, D12-E13), and Bottom-Right (C20-D12, E13-F14). The grid is also labeled with letters A through F and numbers 1 through 16. A legend at the bottom right shows the layout of the 16x16 grid with letters A through F and numbers 1 through 16.
