**CALL TO ORDER:** The meeting was called to order at 12:35 pm.

**APPROVAL OF MINUTES:** The minutes of the February 8, 2017 meeting were approved. Motion made by Nancy and seconded by Becky. Motion passes.

**DISCUSSION:** The D.A.'s office will move into their new building in Brockton on March 24<sup>th</sup> and 25<sup>th</sup>. Last month's panel presentation on meet your Triad Representatives included; Police, Fire, Sheriff's Dept., D.A.'s Office, Council on Aging and Visiting Nurse Associations. The event was very well attended. The audience had several questions and many educational brochures were available for the participants to take.

We discussed ideas for the 2017 calendar. The Health Fair will be held on Tuesday, May 9<sup>th</sup>. There are three workshops that are in the process of being planned. The new activity coordinator will be contacting the vendors once he/she gets hired. Another big piece of the Fair is the screening clinics. One suggestion for the Health Fair is to have a skin care screening. This usually is very popular in addition to other screenings.

The group talked about protective services. The protective service regulations are changing and will help to facilitate better coordination between agencies working on protective service cases. Pat Foley, a longtime protective service worker @ OCES just retired. There is a 5 K road race fundraiser through OCES. The Council on Aging is working with the Fire Department to set up a CPR course.

The following schedule was presented to the SALT Council.
