Jill Leahy, Beansprout – No real changes or updates. Children are not having any issues wearing masks.

Marie Miller – She has been substitute teaching frequently and is amazed at how well the kids are doing with masks and social distancing and responding well to individual desks.

Deb Worsh – We should think about transition to Kindergarten. What can we do? What will K look like next year?

Deb made a suggestion that we come up with a plan for spring (assuming we are behind COVID) for a family game night. Jill suggested a “Singo Night”. Deb will look into one that was run by the Chamber of Commerce.

Deb has started weekly virtual playgroups, Wed. and Thurs. am. The toddler group has four families joining.
