

## Town of Marshfield

Energy Committee  
Marshfield, MA

Mathew Parent  
Chair, Energy Committee

Dear Marshfield Residents,

Winter is upon us and many homeowners and renters are coping with high heating costs. We are in your neighborhood spreading the word about programs that will save you money and reduce greenhouse gas emissions this winter, and for the rest of the year. The first step is to get a no-cost Home Energy Assessment which is available to eligible Massachusetts residents.

**The Town of Marshfield is working with HomeWorks Energy, a Mass Save® partner, to increase awareness of generous insulation and air sealing incentives provided by the Mass Save sponsors.**

A no-cost Home Energy Assessment includes:

1. Custom recommendations for reducing your home's energy consumption
2. Instant savings measures such as programmable thermostats, water-saving showerheads, faucet aerators, and advanced power strips at no-cost
3. No-cost air sealing, 75%-100% off approved insulation, access to the 0% financing Mass Save HEAT Loan, and up to \$10,000 in HVAC rebates

To learn more about energy savings or to sign up for a no-cost Home Energy Assessment, virtually or in-person, **call HomeWorks Energy at (781) 528-0822 or go to [HomeWorksEnergy.com/Marshfield](http://HomeWorksEnergy.com/Marshfield).**

For Small Business Energy Assessments, call the Marshfield Energy Committee at (978) 761-0597.

Working together, we can make a difference in the sustainability of our town, while saving money and energy in our homes.

Sincerely,

Mathew Parent  
Chair, Energy Committee
