MARSHFIELD TOWN HALL

Planning board room

The meeting was called to order at 7:08pm on April 11, 2018

IN ATTENDANCE: Linda Cincotti, Keith Rice, Ned Bangs, Bill Grafton, Greg Guimond, Roger Whidden, Eric Goodwin and Brendan Coyne

ABSENT: Steve Goodhue & Vicki McPherson

APPROVAL OF MINUTES: The minutes of the RTC 3/28/18 were read and approved.

OLD BUSINESS: Ned, Bill and Vicki met with Brenner graphic designers. Ned presented their prototype rough draft of a kiosk information board using the Carreiro trail as the template. A motion to a change on the rules & regs section which moves “no littering” from #8 to be added to #6 and inserts “no hunting” into the #8 slot was approved unanimously.

The group further discussed making all titles and numbering of text to be black and the same size and font as on the left side.

Expanding the legend outline to match the width of the rules & regs, making the P (parking) symbols the same and black and the “you are here” symbol in safety orange and white was suggested.

Adding a bench symbol to the map, as exists on the trail, adding photos, having the marshes as a uniform blue color also with a standard marsh symbol (symbol on legend too), the QR code removed from the legend and added to the left side of logo area as well as adding the roadways and river to the whole map and in a locus insert map was discussed.

Taking the “trail questions” out of the safety section and adding it to the access info, adding the connecting Two Mile Trail as a different color, starting our trail from the trailhead, using a light green color for the main trail area, changing the orange area of non-protected land to a light gray, and the protected abutting properties to be a lighter shade of green than the featured property was talked out.

The background with the main logo symbol greens to remain with the logo symbols included in entirety as a backdrop to the whole map, the print “We hope...” at the top and the “Partners” are to be as the same font and size, moving the top two sentences to the left side and the “Take only photos...” line to be larger and centered were recommended.

A motion to accept Brendan Coyne as a member was unanimously approved.
