RE: Fairground Solar Carport Special Permit

As of 11:00 AM this morning other than a letter from the fire department, I have not received requested information from the applicant on the Fairgrounds Solar carport special permit. Due to the efforts to combat the pandemic caused by the COVID-19 virus, the changing from attended public hearings to a Remote Participation meeting format and the need for having agenda items posted on the Town website prior to meetings, I am recommending the Planning Board continue the public hearing until April 6, 2020 at 7:05 PM without testimony and that the applicant provide all information for that hearing by noon March 31, 2020.
