DISCLAIMER STATEMENT

This document is a compilation of previous street records as found in the Department of Public Works (DPW) and Planning Board files. All information is now currently stored in an MS Access database under the general supervision of the Town Engineer and Town Planner and maintained by the Water/Engineering Divisions of the DPW.

The information in this document is subject to change without notice and has been compiled to provide an ability to locate a street easily, to identify scenic roads, and to provide road classification.

It is to be noted that the street numbers listed are approximate and are listed solely to help in the location of the streets. It also should be noted that maps included are unofficial and provided only as an aid to locating the streets.

It is the hope of the Department of Public Works to publish periodic updates of this street list. Copies may be obtained through the Town Clerk's office or in writing through the DPW. Any errors or omissions found in this document should be reported to the Department of Public Works for street book committee's review. A form is included in this book for these revisions and/or corrections and may be faxed to the Street Book Committee at 781-837-7163 or emailed to Donna Beals at dbeals@townofmarshfield.org in the subject line of message put "Attention – Street book Committee".
