A local State of Emergency was adopted by the Board of Selectmen at their Emergency Meeting. This will open the way for state and federal assistance, if it becomes available. A copy of the Emergency Declaration can be viewed on the Town’s website.

Town Hall, the Ventress Library, Marshfield Senior Center, and the Recreation Center at Coast Guard Hill remain closed through March 31, 2020 to the general public in order to assist in combatting the pandemic caused by COVID-19 virus by protecting our residents and employees.

The Marshfield Senior Center is closed but the staff reports to work as usual. All programs have been suspended except for Meals on Wheels, information and referral and limited social services, AARP TAX Program and the Council on Aging bus services to pharmacies, grocery stores, and in-town medical appointments.

Contractors in need of Building Permits must call ahead to the Building Department at 781-834-5555 to make an appointment. The Building Department will only be conducting outside inspections during the pandemic.

In an overabundance of precaution The Board of Health has directed gyms, massage parlors, nail salons, and micro-blading to close. Stellwagon Brewery will be allowed to conduct retail sales but no drinking in the establishment. Establishments which have self-service items, hot and cold salad bars will be told to pre-package these items for the consumer to buy.

The Board of Health will only conduct indoor housing inspections in the event of endangerment to human health and safety. All outdoor septic inspections will take place as scheduled. The Visiting Nurse will be available on Thursdays from 12:30 to 1:30 by scheduled appointments only (no walk in service shall be provided). The Board of Health strongly recommends all Town employees that have traveled out of the country to self-quarantine in an abundance of caution. The Board of Health office can be contacted @ 781-834-5558 with any other questions.
