The Committee met to discuss the one item on the agenda, which is the committee’s request to the Board of Selectmen to dissolve the Charter Review Committee. Mr. Bowers submitted to the committee a proposed letter to the Board of Selectmen, entitled CRC Dissolution Letter #1. Mr. Gibson raised concerns regarding Letter #1, feeling that the letter expressed opinions in the letter regarding what had taken place, which could be construed by others as ‘sour grapes’.

Mr. Gibson proposed CRC Dissolution letter #2. Another committee member expressed support for Letter #1 and wanted to discuss other possible additions to the letter, feeling that we should be expressing on the record our concerns. After a discussion of several minutes, the consensus became apparent that committee members favored CRC Dissolution Letter #2.
