

Delta Dental PPO Plus Premier Voluntary Plan

The Delta Dental PPO Plus Premier Plan is primarily an employee-paid dental plan, that will enable you and your family to enjoy the benefits of quality, affordable dental care from dentists in Massachusetts and across the country.

The approximate level of coverage for services performed by dentists who participate in the Delta Dental PPO or Delta Dental Premier networks is shown below. Any limitations that may exist for each service are also indicated. The limitations reflect the availability of coverage only. It is up to you and your dentist to determine the need and frequency of dental procedures. Please see the backside of this document for information about how to use your plan.

Choosing a Dentist

As a **Delta Dental PPO Plus Premier** Plan member, you benefit from having access to two of Delta Dental's extensive national networks — **Delta Dental PPO**, with more than 268,000 participating dentist locations and **Delta Dental Premier**, the largest dental network in the country with more than 341,000 dentist locations. You will enjoy great benefits when you receive your dental care from a participating dentist in either of these networks.

- You will receive good value from **Delta Dental Premier** network dentists who generally accept discounted fees
- You will enjoy greater out-of-pocket savings when visiting **Delta Dental PPO** network dentists due to even deeper discounts
- Both networks offer discounted fees and a no balance-billing policy

If you choose to receive services from a non-participating dentist, you will have higher out-of-pocket costs as the Delta Dental contract rates and no balance-billing policy **do not apply**.

Visit www.deltadentalma.com to find a participating dentist in your area.

Identification Cards

Two identification cards from Delta Dental will be mailed to your home shortly after your enrollment. Both cards are issued in the subscriber's name, but can be used by everyone covered under the Delta Dental PPO *Plus Premier* Plan. Simply provide your dentist with the information that is printed on your ID card at your next dental office visit.

The Claims Process for Delta Dental PPO or Delta Dental Premier Participating Dentists

- Simply provide your dentist with the information that is printed on your ID card.
- The dentist will submit your claim and be paid directly by Delta Dental.
- If you have a patient responsibility, Delta Dental will send you an Explanation of Benefits (EOB) detailing what Delta Dental paid the dentist under your plan's coverage and your remaining patient balance, which you pay directly to the dentist.
- You are responsible for any co-payments and deductibles.
- If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than Delta Dental's contracted rate. Also, if you receive a treatment after you have exhausted your maximum or if you receive a treatment which will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than Delta Dental's contracted rate. To avoid any unexpected out-of-pocket expenses, we recommend that you visit Delta Dental's website at www.deltadentalma.com or call Customer Service at 1-800-872-0500 to determine your remaining benefits.

About Non-Participating Dentists and Out-of-Network Coverage

Your Delta Dental PPO *Plus Premier* Plan provides coverage for services received from dentists who don't participate in the Delta Dental PPO or Delta Dental Premier networks. However, your out-of-pocket expenses may be more.

Delta Dental's payment for services received from non-participating dentists is based on either the dentist's fee or the maximum plan allowance for non-participating dentists, whichever is lower. If you utilize the services of a non-participating dentist whose fees are higher than the maximum plan allowance, you will be responsible for the difference between Delta Dental's payment and the dentist's total submitted charges.

The Claims Process for Non-Participating Dentists

- Simply provide your dentist with the information that is printed on your ID card. Your dentist will collect his/her fees directly from you.
- Delta Dental will reimburse you based on a claim form that you submit to: Delta Dental, P.O. Box 249, Thiensville, WI 53092.
- You are responsible for paying any deductibles or co-payments as well as the difference between what Delta Dental pays and what the dentist charges.

Coordination of Benefits

If your family is covered by more than one dental plan (or a medical plan that offers dental coverage), Delta Dental will coordinate benefits with the other carrier. In determining coverage, total payments from both carriers cannot exceed the allowable charge for service. If you have a question about Coordination of Benefits (COB), please contact our Customer Service Department at 1-800-872-0500.

Other Claims Information

- All claims must be submitted within one year.
- Ask your dentist to submit a "pre-treatment estimate" to Delta Dental for any procedure that exceeds \$300. This will enable us to help you estimate any out-of-pocket expenses you may incur.
- If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. Also, if you receive a treatment after you have exhausted your

maximum or if you receive a treatment which will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. To avoid any unexpected out-of-pocket expenses, we recommend that you visit Delta Dental's website at www.deltadentalma.com or call Customer Service at 1-800-872-0500 to determine your remaining benefits.

- If a claim is denied, you can request an appeal by writing to Delta Dental within 180 days of receiving notice on the claim. Appeals should be sent to: Delta Dental of Massachusetts, P.O. Box 249, Thiensville, WI 53092.
- Under your plan's subrogation clause, you may be required to reimburse Delta Dental for claim payments if you also receive payment from a third party who is held liable for an injury that required the dental care.
