TOWN OF MARSHFIELD

Nonprofit Agency Funding Policy

**Purpose:** To establish a policy that ensures an accountable, objective, and fair process for submitting, reviewing, and approving nonprofit agency grant or loan requests.

**Policy:** The Town of Marshfield has no statutory requirement to fund nonprofit agencies. Accordingly, it is the policy of the Town not to provide recurring annual funding to non-governmental agencies, aside from those who provide a vital service to the Town. Notwithstanding the above, the Town of Marshfield may, when circumstances warrant, elect to enter into a contract with a non-profit agency to provide services that are vital to the Town. In each case, the Board of Selectmen will carefully review the circumstances surrounding the request and determine the urgency of need of the agency’s requested assistance and its value to the town.

In each case, the programs or services provided by the non-profit agency must do one or more of the following:

- Provide a vital service that the Town does not provide
- Provide a service for the Town through means that are more cost effective or operationally expedient than what the government can provide
- Fill in a critical gap that may exist between government services and community needs

**Procedures:**

1. **Application Process**
   - A public notice announcing the annual review process for applications will be made on the Town’s website in February of each year. This annual process is timed to complement the annual budget process.
   - The application form will be available from the Town’s website and at the Board of Selectmen’s office.
   - Nonprofit agencies that have a compelling need for funding may complete the nonprofit funding application.
   - Applications are made available annual in November and are due back to the Treasurer/Collector by the published deadline.
   - Applications received after the published deadline will not be considered for inclusion in the annual budget for funding in that fiscal year.
   - Applications that are incomplete will be deemed ineligible for funding and will be returned to the nonprofit agency with explanation of rejection.
   - Submission of a complete and compelling application is no assurance of funding.
   - A public hearing will be held to allow nonprofit applicants to address the Board of Selectmen and for the public to comment on the merits of the funding request.

2. **Review and Funding Process**
   - Eligible applications will be reviewed by the Advisory Board.
A recommendation for funding and a recommended amount will be presented to the Board for their consideration as part of the annual budget process.

Upon the approval of the annual budget, letters will be sent to the agencies who submitted applications for funding notifying them of the outcome of their requests. If approved for funding, the agency will coordinate with designated Town staff for completion of the required contract.

The Town will consider funding on an annual basis only.

Applications for funding are effective for one year. Each new budget year will require validation and submission for each funding request.

**Funding Criteria:** Applications will be reviewed and recommended for funding based on the following:

- Must submit IRS tax-exempt letter stating 501c3 non-profit status
- Must submit complete application by published deadline
- Must state community need for services and provide a service that meets the descriptions in the policy statement above
- Must state achievable, outcome-based goals and outline a plan to meet goals
