RE: Bridle Crossing off Ferry Street
Application for Site Plan Modification
Owner: Matlin, LLC c/o Sealund Corp.

Dear Board Members:

On behalf of the owner, we are hereby submitting revised plans for responding to peer review comments including:

1. A 3-compartment oil water separator has been added to the plans
2. Drain system 2 has been reconfigured.
3. Grading at the entrance has been revised to show spot elevations.
4. The enhanced nitrogen removal system has been modified to NitROE 2KM by KleanTu.
5. Proposed monitoring wells have been added.

If you have any questions, please do not hesitate to call.

Sincerely,
GRADY CONSULTING, L.L.C.
